## Cornerstone Christian School ~ Home of the Cougars ~

## **Volunteer Hour Log**

## **Instructions**

Cornerstone's high-school students are required to complete (25) hours of approved volunteer services for each year they attend Cornerstone Christian School (9<sup>th</sup> Grade thru 12<sup>th</sup> Grade). These (25) volunteer hours should be completed each school year. Anytime your student performs volunteer hours, please have an authorized employee of the organization they volunteered for complete this form. Once completed and signed, please return this log form to the front office to ensure your student receives credit for their volunteer service. All completed volunteer hour logs for the 2024-2025 school year must be completed and returned to the school office no later than **Friday, May 23, 2025**.

| Organization's Name | Organization's Contact<br>Information<br>(Name & Phone Number) | Description of Volunteer<br>Activities | Authorized<br>Organization<br>Signature | Date Completed | Total Volunteer<br>Hours for the Day |
|---------------------|--|--|---|----------------|--------------------------------------|
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
|                     |  |  |   |                |                                      |
