- All rules and guidelines listed are the same for every camper and their family. These rules are non-negotiable and no exceptions will be made.
- Each Field Trip has a maximum number of campers that can attend. This is **NON-NEGOTIABLE!** All Field Trips are First Come, First Serve, and will fill up very fast. Please keep a look out for the permission slips as you drop-off or pick-up your camper.
- Payment for each Field Trip is due in full at the same time the Permission Slip is turned in. Furthermore, we are not able to save a spot for a camper without a signed permission slip and payment in full.
- A reminder notice will not be sent out to parents about upcoming Field Trips. It is the responsibility of each parent to review the Field Trip Schedule provided, and sign up their camper for each trip, as desired, as they become available.
- All Camp Fees, including Field Trip Payments are **NON-REFUNDABLE.** Furthermore, a credit **will not be** issued for another Field Trip, if your camper is unable to attend, for any reason.
- All Field Trips will have a departure time listed on the permission slips. It is very important that your camper is dropped off on campus prior to the Field Trip's departure time. If your camper arrives after the departure time, they will miss the field trip and a refund or credit will not be given.
- There will be activities available on campus for the campers that do not attend the Field Trips. Field Trips are not mandatory.
- Campers must be in Kindergarten or higher to attend the Field Trips. PreSchool and VPK Students are unable to attend Field Trips.

We are looking forward to a fun filled summer, with many activities.
